- Teamwork
- Communication
- Adaptability
- Time Management
- Continuous learning

SUMMARY

Passionate AI and Full-Stack Developer with hands-on experience in building responsive web applications and integrating modern AI technologies. Skilled in developing scalable applications using React, JavaScript, Python, and modern web technologies. Experienced in creating full-stack projects including e-commerce platforms, social media applications, chatbots, and currently developing an AI Travel Planner. Strong problem-solving abilities with a keen interest in AI engineering, software development, and startup innovation.

EXPERIENCE

FullStackDevelopmentIntern | Code Alpha June 2026-July 2026

- Developed reusable React components to improve maintainability.
- Build Responsive web interfaces compatible with desktop,tablet and mobile devices
- .Performed client-side and Server-side input validation.

Frontend development Intern | Code Alpha June 2026-July 2026

- Designed responsive user interfaces using HTML5, CSS3, JavaScript, and React
- Built modular UI components for better scalability.
- Optimized website responsiveness & user experiences.

PROJECTS

Ai travel planner
TechStack:React,Python, AI API

- Developing an AI-Powered travel planning application.
- Generates personalised travel itineraries and recommendations.
- Integrates AI to enhance user Travel experiences

E-Commerce Website
TechStack:React,JavaScript,HTML, CSS

- Built a fully responsive online shopping platform.
- Implemented product listing, cart Functionality and smooth checkout flow.
- Developed resuable UI components.

Social Media Platform
TechStack:React, JavaScript

- Created User Authentication and Profile management.
- Developed Interactive post, feed, and engagement feature.

EDUCATION

BACHELOR OF TECHNOLOGY
Computer Science & Engineering (Artificial Intelligence)
University of Lucknow
Expected graduation in 2028

CERTIFICATIONS

- Python Programming
- Web Development
- HTML with AI
- Git & Github
- Generative AI Fundamental

Language

- English
- Hindi
